Total Home Wi-Fi Guarantee

What is the Total Home Wi-Fi guarantee?

- At least 10Mbps download speed in every eligible room - see qualification criteria below.
- Troubleshooting and support from Fibrus to optimize router placement and speed.
- One additional Amazon eero router will be provided at no additional cost (same router as per the Full Fibre broadband package purchased), if needed.
- An engineer visit, if required after receiving an additional router, to optimize the customer's service.
- If 10Mbps still cannot be achieved in every eligible room, then provided the customer has followed any reasonable instructions given by Fibrus, the customer may cancel the contract within 30 days after the engineer's visit, and without attracting any early contract termination fees.
- However, the customer must still pay for (i) any broadband services provided up to the point of cancellation; and (ii) any non-standard installation works.

What are the qualifying criteria for the Total Home Wi-Fi guarantee?

- Up to 5 bedrooms.
- Up to 3 reception rooms.
- No basements, cellars or below street level rooms.
- Main dwelling house only, no outbuildings, sheds, or garden rooms.
- Any structural changes or extensions to the home after the broadband package is purchased are not covered.
- Total property area not to exceed 3000 square feet.
- Customer must agree to technical home visit from a Fibrus engineer if required to optimise your Wi-Fi service.
- Any additional reasonable criteria or requirements stipulated by Fibrus from time to time.

Terms & Conditions

1. In order to qualify for this offer, you must be a new customer and have an accepted sales order for Fibrus broadband during the offer period.
2. An 18-month minimum contract term is required from the date your broadband is connected.
3. The offer is valid only during the period stated at the top of these terms & conditions.
4. If the offer is no longer valid at the date you sign up as a Fibrus customer, then no discount will be available.
5. At the end of the contract term, the price of your broadband package will change to our then out of contract monthly price, see [Full Fibre T&Cs](#)
6. A standard customer broadband installation is assumed. Additional charges may apply to non-standard broadband installations.
7. The discount excludes add-on service costs (e.g anytime unlimited call package plan and VOIP services) which will incur the normal monthly charges at the prevailing rate(s) during the full term of your contract.
8. This promotion cannot be used in conjunction with any other Fibrus broadband plan or promotion.
9. Fibrus' normal customer terms and conditions will apply to all broadband contracts.
10. Fibrus will use your personal information only in accordance with our terms and conditions and our Processing Notice (Consumer) at <https://www.fibrus.com/privacy>
