Add-ons for all Full Fibre plans (as priced) visit [Full Fibre T&Cs](#)

- Eero 6+router
- Eero Pro6E router
- Fibrus Talk (VoIP)
- Static IP

\*Full Fibre 2000 is subject to availability in your area

\*\*Total Home Wi-Fi Guarantee

*What is the Total Home Wi-Fi guarantee?*

- At least 10Mbps download speed in every eligible room - see qualification criteria below.
- Troubleshooting and support from Fibrus to optimize router placement and speed.
- One additional Amazon eero router will be provided at no additional cost (same router as per the Full Fibre broadband package purchased), if needed.
- An engineer visit, if required after receiving an additional router, to optimize the customer's service.
- If 10Mbps still cannot be achieved in every eligible room, then provided the customer has followed any reasonable instructions given by Fibrus, the customer may cancel the contract within 30 days after the engineer's visit, and without attracting any early contract termination fees.
- However, the customer must still pay for (i) any broadband services provided up to the point of cancellation; and (ii) any non-standard installation works.

*What are the qualifying criteria for the Total Home W-Fi guarantee?*

- Up to 5 bedrooms.
- Up to 3 reception rooms.
- No basements, cellars or below street level rooms.
- Main dwelling house only, no outbuildings, sheds, or garden rooms.
- Any structural changes or extensions to the home after the broadband package is purchased are not covered.
- Total property area not to exceed 3000 square feet.
- Customer must agree to technical home visit from a Fibrus engineer if required to optimise your Wi-Fi service.
- Any additional reasonable criteria or requirements stipulated by Fibrus from time to time.

## Terms & Conditions

1. In order to qualify for this offer, you must be a new customer and have an accepted sales order for Fibrus broadband during the offer period.
2. A 24-month minimum contract term is required from the date your broadband is connected.
3. The offer is valid only during the period stated at the top of these terms & conditions.
4. If the offer is no longer valid at the date you sign up as a Fibrus customer, then no discount will be available.
5. At the end of the contract term, the price of your broadband package will change to our then out of contract monthly price, see [Full Fibre T&Cs](#)
6. A standard customer broadband installation is assumed. Additional charges may apply to non-standard broadband installations.
7. The discount excludes add-on service costs (e.g anytime unlimited call package plan and VOIP services) which will incur the normal monthly charges at the prevailing rate(s) during the full term of your contract.
8. This promotion cannot be used in conjunction with any other Fibrus broadband plan or promotion.
9. Fibrus' normal customer terms and conditions will apply to all broadband contracts.
10. Fibrus will use your personal information only in accordance with our terms and conditions and our Processing Notice (Consumer) at <https://www.fibrus.com/privacy>

## Echo Dot Terms & Conditions

1. Fibrus will email an Amazon echo dot promotional code on expiry of the 14 day cooling off period following your Full Fibre Broadband installation. The echo dot promotional code can only be redeemed to buy an Echo Dot (5th Generation) on amazon.co.uk.
2. The echo dot redemption code will be valid for redemption until 31st October 2024.
3. Each customer can claim up to a maximum of one Echo dot. The offer may not be used in conjunction with any other offer.
4. It is subject to availability and may be withdrawn or amended without notice. The offer has no cash alternative and is non transferable.
5. Postage and packing will be applied to each item in accordance with Amazon's standard delivery rates and policies.
6. Amazon.co.uk Conditions of Use & Sale apply to your purchase on Amazon.co.uk. All terms found [here](#) apply to your purchase and use of the echo dot 5th Generation.
