

Fibrus 2026 April - £50 Amazon eGift card offer for new Fibrus Broadband customers

Promotion runs from 24 April - 30 April 2026 inclusive

Promotion valid in Fibrus Broadband network areas (excluding Off-net postcodes), which you can find on our website and can be accessed [here](#).

1. The promotion is valid only during the period stated at the top of these terms & conditions and is available through our telephone or online sales channels only. The offer is not available through our in-person Fibrus Broadband field sales channel.
2. You'll first need to check if Fibrus Broadband is available at your address. To do this, please visit our website at www.fibrus.com or call us on the relevant number - NI: 028 9099 3230 or GB: 080 0099 111.
3. To be eligible for this promotion and to receive your Amazon eGift card, you must first meet all of the following qualified conditions:
 - a. You must have submitted a Register of Interest Form which can be found by clicking [here](#).
 - b. You must provide the code **TREAT** at checkout when placing an order via our website, or quote it to our sales representative when placing an order by phone; and
 - c. You (which includes your household at the same or previous address) must genuinely either be a new Fibrus Broadband customer or are a returning customer with not less than a 3-month break in your previous Fibrus broadband services at the same or previous address(es); and
 - d. You must have an accepted sales order for Fibrus Broadband during the offer period; and
 - e. You must pay your first Fibrus Broadband bill and continue to be a Fibrus Broadband customer for 30 days after the date your broadband service commences, and you must not have cancelled your contract with us during that time.
4. We will email your £50 Amazon eGift card to you once of the qualifying criteria above have been achieved.
5. Help and guidance about how to activate and spend your Amazon eGift card, frequently asked questions and Amazon eGift card terms & conditions can be found at www.amazon.co.uk.
6. No cash alternative is offered in place of your Amazon eGift Card.
7. Our normal [customer residential terms & conditions](#) will apply to all Fibrus Broadband contracts.
8. A standard customer broadband installation is assumed. Additional charges may apply to non-standard broadband installations.
9. An 18-month minimum contract term is required from the date your Fibrus broadband is activated.
10. At the end of the contract term, the price of your broadband package will change to our then out of contract monthly price, see our [Price Guide](#).
11. This promotion cannot be used in conjunction with any other Fibrus Broadband promotion.
12. We will use your personal information only in accordance with our terms and conditions, see our Customer Processing Notice at [Privacy - Fibrus](#).
